David S. Nash

Nash, owner and operator of D.S. Nash Construction Company is an Appomattox County native.

A graduate of Appomattox High School, Nash has been in the construction business for 33 years, 20 of which were spent as a partner in the firm of Evans and Nash Construction.

Nash is a member of the Board of Directors for the Virginia Road and Transportation Builders and a member of the Board of Directors for the Falling River Country Club. He is a member of Memorial United Methodist Church.

Married to the former Marion DeJarnette of Campbell County, they are the parents of a son, Gray, a student at Appomattox County High School and a daughter, Jeanne Marie Nash, an Auditor of Public Accounts with the State of Virginia.

"I feel that Appomattox County needs a few changes," said Nash, "and if elected, I plan to do my best to carry out the wishes of the voters. Their needs and interests will be my primary concern; I will appreciate your support in the forthcoming election."

MEMBERS OF THE ACHS DRAMA CLUB were selected for competition on a statewide level after winning district and regional drama competitions at Rustburg High School March 5 and 12. The club, which has won its first regional competition ever, consists of (from left) Richard Conner, J.C. Rogers, Bruce McClary, Terri Nash, Cecil Jacobs, Susan Morris, Ben Martin and Donna Layne. Married to the former Joyce McCormick, they have one son, Joe, and a grandson, Brandon.

"It has been a real honor to serve on the Appomattox County Board of Supervisors for the last three years," Vaughan said. "My main goal, if re-elected, will be to get more citizens involved in county government," Vaughan concluded.

Wesley Singers will visit

The Wesley Singers of VPI & SU will be singing, shouting and sharing their faith in Jesus Christ on Friday night at 8 p.m. at Memorial United Methodist Church in Appomattox. The Wesley Singers are a group of college students from Virginia Tech, 48 in number. The Singers are sponsored by the Wesley Foundation at VPI&SU in Blacksburg, Va.

The Wesley Singers were organized in 1974 under the leadership of Lt. Glenn Tyndall who serves as Director of the Wesley Foundation and United Methodist Campus Minister at VPI&SU, Virginia's land-grant university. In early years, the group conducted worship services and sang for a number of churches in the Roanoke Valley in Virginia as well as other church groups, nursing homes, etc.

In March of 1979 and 1982 the Wesley Singers were on a Spring Break Tour in North Carolina, Georgia, and Florida. In 1980 the Singers made a Spring Tour around the state of Virginia. This year's tour will see them venture north from Virginia to Maryland, Delaware, New Jersey, and New York.

Students in the Wesley Singers come primarily from throughout Virginia, but other states represented are Maryland, West Virginia, Delaware, New York, North Carolina, and Tennessee. In addition to United Methodist, a number of other denominations are represented. The group includes students majoring in everything from agriculture to zoology, which means that the emphasis is on the spiritual value of the music as a witness to God's love rather than as an end in itself. That which draws the group together is their shared joy in celebrating their Christian faith and life through music and worship.

The public is cordially invited to the concert at 8 P.M. on Friday, March 18 at Memorial United Methodist Church. There is no charge.

Benefit tournament scheduled

The Appomattox Junior Woman's Club will again sponsor a little league basketball tournament. This year's tournament is scheduled for March 19 (Saturday) at 6 p.m. in the Appomattox County High School gym.

There will be three games. At 6 p.m., the eight- and nine-year-olds will play. At approximately 7 p.m. those ages 10 and 11 will play, and at approximately 8 p.m., the 12- and 13-year-old athletes will play.

Trophies donated by local merchants will be awarded to each player on the three winning teams. All players will receive certificates of participation.

Admission to the tournament is $2 for adults, $1 for children under age 12.

Proceeds from this event will be used to send an Appomattox County youth to Camp Easter Seal.

School census scheduled here

Virginia School Laws, Sections 22.1-281 through 22.1-286 require that beginning in 1980 and every three years thereafter, a school census be taken. These sections of the law require that the name, age, and other pertinent information be collected for each child one through 19 years of age and handicapped children, ages 20 and 21 years of age.

Statistics from the census will be used by the State in determining the distribution of the one percent State sales tax money and other monies to the counties, cities, and towns. Therefore, it is important to all residents that an accurate census be made so that the county of Appomattox receives its fair share of these monies.

Statistical summaries from the census will be used by the county of Appomattox and by the State of Virginia in planning to meet future educational needs and as an aid in formulating future educational policies at the local and state levels, respectively.

The census enumerators will be working in the county in three different locations. An enumerator will contact the adults of each home in the county between March 15 and April 15 to obtain required information. Please give these persons your cooperation and support.

Red Cross fund drive set here

The Appomattox County American Red Cross Fund Drive begins Monday, March 21.

Due to unpredictable weather and the cost of transportation, there will be no house-to-house campaign again this year. Instead, the fundraisers will use churches, local media and businesses in an effort to reach everyone in Appomattox County.

The services of the American Red Cross are invaluable. In Appomattox, the Red Cross sponsors the Bloodmobile visits each year. This is an important program for the citizens of Appomattox, assuring them that blood will be available in time of need. American Red Cross also helps during emergencies such as floods, fires, and other disasters.

Appomattox County last year contributed to five families for fires and other emergencies within the county.

The total amount spent was $950.

The campaign goal was not reached last year. This year, the goal of the fundraising campaign is $2,200. Anyone wishing to help is asked to mail contributions to Mrs. Edith N. McCormick, chairman, Appomattox Red Cross Fund Drive, Route 1, box 180, Spout Spring, Va. 24593; or to Mr. Bill Hunter, treasurer, Appomattox Chapter Red Cross, Farmers National Bank, Appomattox, Va. 24522.

Make checks payable to American Red Cross.

By CALVIN ROBINSON

Thursday is St. Patrick's Day and calls for wearing something green. Mother Nature is joining in, for more green is appearing. Grass is growing and some lawnmowers are already in action. Lazy as I am, will put it off as long as can, the current excuse being that must get the mower blade sharpened, oil and spark plug checked. Daffodils are in bloom. I have about a dozen in bloom and more on the way. Lots and lots of buds on trees and shrubs and I see no reason why we will not have a glorious Spring and Summer.

* * *

Last week I asked where in the Bible the word Easter might be found. Bro. Roy Hopkins was among the first to phone in. He has a Concordance, a book to enable you to locate Bible words. Acts 12:4, although in some translations the word "Passover" is used. The earlier English versions used Easter in this passage, and today it is one of our truly great holiday seasons.

Ah yes, and in West Ghent, Norfolk, there is a gift shop named The Church Mouse. I have heard the expression, "As poor as a church mouse" but I hope this one does well. Same for that town in Florida named Niceville.

Was it an awful act? Sunday morning in church I saw a hornet perched on the head of a friend seated in front of me. The friend's wife saw it and several others joined in fanning tactics and the foresaid hornet flew to a window sill within two feet of me. Using a hymn book, I dispatched the hornet, and decorum was resumed. What would you have done? Heavens to Betsy, I might have been next.

University of Virginia basketball team, Ralph Sampson & Co., lost a big basketball game over the week-end to North Carolina State, 81-78. I checked early this morning (Monday) and the Virginia state flag was still flying in the court house square and not at half mast. There will be other games and many still think Virginia is No. One. My late Dad was born in North Carolina, so no way I could lose. A rash of basketball tournaments are coming up and several state teams are entered. One of the N.C. State players is named Thurl Bailey. First time I heard the name in the pre-game introduction of players, I thought the announcer said "Pearl" Bailey and kept watching for the star entertainer to appear. One player was so tall and thin they nicknamed him "Dropcord."

Another sports item. This year the Army-Navy football game will be played at the Rose Bowl, Pasadena, California. Next year will return to its traditonal Philadelphia.

"Drive Carefully" is an unanimous admonition. One day last week I saw a car sail at full speed through a local Red Light traffic signal. A car entering the highway barely managed to stop and a collison was avoided. I could not get the license number of the guilty car. But I can and do repeat, "Drive Carefully" for Appomattox cares. Thanks for reading and seeya around.

Festival benefit set

Contact Nelwyn Morris, Sarah Summers, or any Festival Board member for tickets.
